

## Rtek7 Dealer Program Information

Thank you for your interest in becoming a distributor for our Rtek7 line of ECU upgrades. We look forward to working with you.

Below you will find an outline of how the dealer program works. If you have any questions feel free to contact us at [dealers@digitaltuning.com](mailto:dealers@digitaltuning.com).

### Overview

Installation of Rtek7 ECU upgrades involve changing certain electronic parts inside the stock RX7 ECU. Due to the complex nature of the work, and for quality assurance reasons, we require all Rtek7 ECU upgrades to be installed into the ECUs by us. This will require the dealer to ship ECUs to us so that we can install the upgrade.

Dealers are free (and encouraged) to send us ECU cores for upgrading so that they can stock already modified ECUs. This will give added value to your customer as they will not have to wait to ship their ECU back and forth to us, keeping downtime to a minimum.

We do not provide ECU cores at this time.

### Dealer Requirements

Any company that would like to become an Rtek7 dealer must be a state registered corporation and will be required to submit the following information:

- Corporate name
- Physical shop address
- A copy of your business license
- A resale certificate with tax ID number
- Website URL

Dealers must place an order at least once every 6 months in order to maintain their dealer status. If 6 months has lapsed since your last order, your dealer account will be closed. You will need to re-establish your account and place an order at the same time if you wish to become a dealer again. All re-established accounts default back to Level 1 pricing.

### Pricing Structure

#### Level 1:

The first 5 Rtek7 Upgrades you purchase are discounted 10%. The ECUs can be sent to us one at a time over the course of one year. After one year from creating your dealer account, you will automatically be upgraded to Level 2.

#### Level 2:

After the first 5 ECUs or one year, whichever comes first, dealers will receive a 20% discount on all Rtek7 Upgrades, but will be required to send us ECUs in batches of 5. We will not accept orders from Level 2 dealers for less than 5 ECUs.

### Products and Installation

Dealers are entitled to purchase at a discount any Rtek7 ECU Upgrade digital tuning, inc. is currently offering to the general public. All Rtek7 sales to dealers are "DTI Install" meaning digital tuning, inc. must perform the installation of the Rtek7 upgrade into the ECU. Dealers cannot purchase "Self Install" kits and dealer discounts do not apply to them.

### Drop Shipping

We do not offer drop shipping. All ECUs must be shipped back to the Dealer's shop address.

### Payment

All orders must be paid for via PayPal or credit card at the time the order is placed.

### Terms and Conditions

- All applications for dealer status are subject to approval by digital tuning, inc. We reserve the right to withdraw a dealer's status at any time with prior notification.
- Dealer must be a state registered corporation authorized to collect sales tax.
- By joining this dealer program, the dealer hereby agrees not to resell any products on any auction sites, such as eBay, etc, and not to participate in any type of group buy. By doing so, the dealer will lose dealer privileges, and the account will be terminated.
- Dealer pricing may change at any time with prior notification from digital tuning, inc.
- Dealer agrees to the pricing structure outlined on the first page of this application.
- Dealer must abide by MAP pricing (minimum advertised pricing) - if applicable.
- All dealer orders must be emailed or faxed to digital tuning, inc., using your company's purchase order form.
- All orders are shipped UPS.
- Dealers are responsible for their own customers' returns and exchanges.
- All orders must be prepaid via Credit Card or Paypal.
- Once a dealer account has been established, an order must be placed at least once every 6 months or the account will be closed. You will need to re-establish your dealer account in order to place an order. An order must be placed at that time the account is re-established.
- Accounts are non-transferable.

By signing this form: I, as the company's representative, have agreed to all terms and conditions stated above:
